

Guild Membership

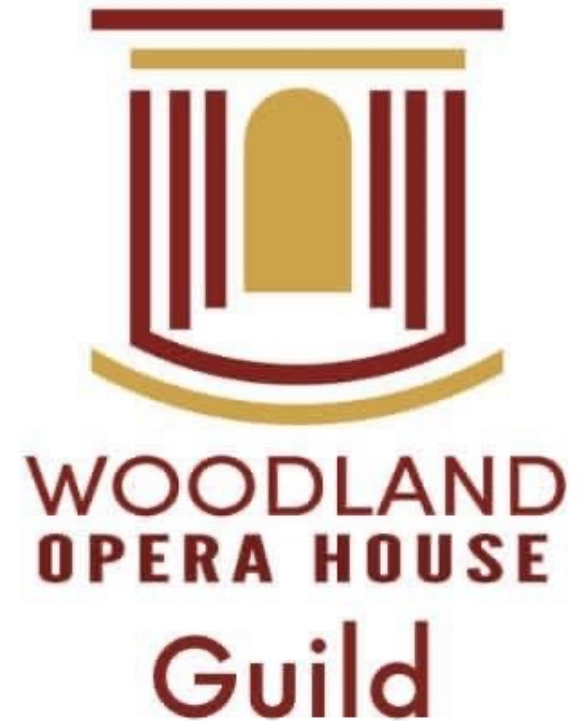

We would love to welcome you as a new or returning Guild Member! Annual individual or family memberships are a wonderful opportunity for families and friends to spend time together supporting the Opera House. Anyone over the age of 16 may join, and teens ages 12-15 may join when they are sponsored and accompanied by an adult member.

Benefits of Guild Membership

- Members are the first to receive usher sign-ups so you can select preferred shifts.
- While ushering, members will see that performance for free.
- Members will be invited to an exclusive sneak peek and appreciation reception at one special performance during the season.
- Members are recognized during the Annual Chesley Awards.
- All funds raised beyond covering operating costs are gifted back to the theatre.
- Members will have the personal satisfaction that they are enhancing our patrons' experience and supporting the historic Woodland Opera House Theatre.

About The Woodland Opera House Guild

The Woodland Opera House Guild is a dedicated group of volunteers who want to ensure the success of the historic theatre by volunteering their time and services. Guild members are one of the primary contacts with Opera House patrons, and enhance their experience by ushering performances, giving tours, acting as docents for special events, selling concessions and merchandise, and representing the Opera House in the community.

The Guild plays such a critical role in supporting the Woodland Opera House, that the show literally cannot go on without us!

Membership FAQs

How much does it cost to become a member? The annual dues for an Active Member are \$25/year. We also have a Family Membership for \$90/year that is ideal for families of 4 or more that reside at the same address. If you wish to join, but do not feel you can work regularly, or not at all, you may join as an Associate Member for \$40/year.

Why do I have to pay membership dues to be a volunteer? As a registered 501(c)(3) nonprofit organization, the Guild incurs costs of doing business including: federal/state/legal fees, member name-tags, communications, supplies, and member appreciation to name a few. Funds raised beyond what is needed to cover operating costs are gifted back to the theatre. And, when you volunteer as an usher you get to see the performance for free, so you are able to pay yourself back for your dues after working just a few shifts!

How often do I have to volunteer? Active and Family Members are requested to help out at least 6 times a year, and many members enjoy serving much more than that. With a slightly higher fee, Associate Members are not required to work, but their participation is always welcome. All members will receive sign-up links by email and may volunteer for any event, performance, or concert as they wish.
